

Survey for Boot Camp: Linear Algebra

1. How do you generally evaluate the Boot Camp?

1(helpless)	2	3	4	5(helpful)

Note: 1 means helpless; 5 means helpful.

2. How do you generally evaluate the course difficulty of Boot Camp?

1(easy)	2	3	4	5(hard)

Note: 1 means easy; 5 means hard.

3. How do you generally evaluate the Linear Algebra Course?

1(helpless)	2	3	4	5(helpful)

Note: 1 means helpless; 5 means helpful.

4. How do you generally evaluate the course difficulty of the Linear Algebra Course?

1(easy)	2	3	4	5(hard)

Note: 1 means easy; 5 means hard.

5. How do you think about the amount of the exercises of the Linear Algebra Course?

1(light)	2	3	4	5(heavy)

Note: 1 means light; 5 means heavy.

6. How do you think about the difficulty of the exercises of the Linear Algebra Course?

1(easy)	2	3	4	5(hard)

Note: 1 means easy; 5 means hard.

7. How do you generally evaluate the instructor of the Linear Algebra Course?

1(poor)	2	3	4	5(awesome)

Note: 1 means poor; 5 means awesome.

8. Evaluate the difficulty of each chapter of the Linear Algebra

Chapters	1(easy)	2	3	4	5(hard)
Vector Space					
Matrices and Matrices Algebra					
Projections and Least Square Estimation					
Differentiation					
Matrix Decomposition					
Random Variables					
Normal Theory and F-test					

Note: 1 means easy; 5 means hard.

9. What other materials which you hope to know have not been covered in this course?
