Survey for Boot Camp: Analysis

1. **How do you generally evaluate the Boot Camp?**

1(helpless)	2	3	4	5(helpful)

 Note: 1 means helpless; 5 means helpful.

2. **How do you generally evaluate the course difficulty of Boot Camp?**

1(easy)	2	3	4	5(hard)

Note: 1 means easy; 5 means hard.

3. **How do you generally evaluate the Analysis Course?**

1(helpless)	2	3	4	5(helpful)

Note: 1 means helpless; 5 means helpful.

4. **How do you generally evaluate the course difficulty of the Analysis Course?**

1(easy)	2	3	4	5(hard)

Note: 1 means easy; 5 means hard.

5. **How do you think about the amount of the exercises of the Analysis Course?**

1(light)	2	3	4	5(heavy)

Note: 1 means light; 5 means heavy.

6. **How do you think about the difficulty of the exercises of the Analysis Course?**

1(easy)	2	3	4	5(hard)

Note: 1 means easy; 5 means hard.

7. **How do you generally evaluate the instructor of the Analysis Course?**

1(poor)	2	3	4	5(awesome)

Note: 1 means poor; 5 means awesome.

8. **Evaluate the difficulty of each chapter of the Analysis**

Chapters	1(easy)	2	3	4	5(hard)
Introduction to Metric Spaces					
Properties of Metric Spaces (closedness, completeness, etc…)					
Sequences (Convergence, Cauchy, etc…)					
Continuous Functions					
Compactness					
Sequences of Functions					
Measure Theory					

Note: 1 means easy; 5 means hard.

9. **What other materials which you hope to know have not been covered in this course?**
